

## **INTERDISCIPLINARY MINOR IN MUSICAL THEATRE**

Students will have the ability to take classes that are aligned with their interests. This will be a 5 course 15 credit minor. There will not be a set track for this Minor. The purpose of a non-track minor is to engage the student who has multiple interests in Musical Theatre. Some students will structure their program around singing and acting, but others around songwriting, or work as conductor/impresario, or stage directing, or scholarship, etc. Admission to introductory classes will not be based on performance ability.

## **COURSES**

This structure will offer classes for the performer and non-performer. Every student will be required to take the following.

2. 3 credits of course work in FTT

## **WHEN AND HOW**

Arts and Letters students should declare this minor no later than the fall semester of their junior year. The interdisciplinary minor in Musical Theatre is available to all Notre Dame Students.

## **DETAILS**

\*Students may not double count (“cross count”) any MT Minor classes for other majors/minors and vice versa, including FTT and Music majors.

\*The MT Minor Capstone project cannot double count towards a thesis project for another minor/major.

\*Courses for variable credit can accumulate to count towards the 3 credits needed from FTT or MUSIC. (Example: Voice Lessons count as 1 or 2 credits. If you take 3 semesters of Voice Lessons, then that is a total of a 3-credit course in Music.)

\*No AP credit will be accepted as a substitute for courses in the MT Minor.

\* The Music Department will offer up to four (4) credits of Voice Lessons free of charge to students enrolled in the Musical Theatre Minor. Any Voice Lessons beyond this 4-credit threshold are available for the standard per-semester fee. Please contact the Music Department for more details.
